

KWIK-BOLT®

CONCRETE ANCHORS

THERMO PLASTIC SLEEVE

Holds dual floating wedges tightly,
yet strips off in the hole to allow
independent gripping action.

FOIL RETAINER

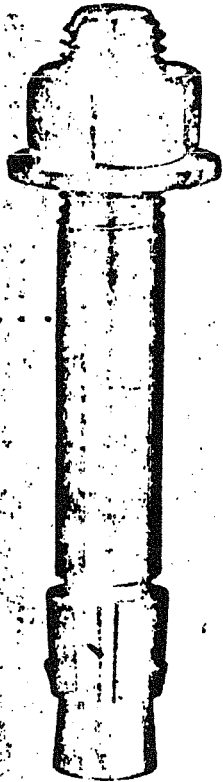

Ultra-strong metallic strip keeps
dual wedges in position, even through
gaps between fixture and concrete.

NOW

All the advantages of
dual-wedge gripping action
plus one-piece convenience.

KWIK-BOLT® CONCRETE ANCHORS

Nuts and washers included. Special lengths available.
